CAMPUS FACILITIES

MULTIPURPOSE HALL

One of the most important aspects in campus life is being active. Sports in AiULC are exceptionally designed to fit students' interest.

HOSTELS AND HALL OF RESIDENCE

The student studying in the Language Centre will be provided with accommodation within the campus.

STUDENT CENTRE

With its multi-functional facilities, student can enjoy the modern and trendy setting that the centre can offer. Both floors serve its very own function. On the first floor, student can find everything they need from the convenience store, coffee shops, ATM machine and a cafeteria. The second floor acts as the entertainment hub where student can come here to play or relax.

LECTURE THEATRE

Inspired by the Suleymaniye Mosque Complex, Istanbul Turkey. Under the clear blue sky is the dome of the Lecture Theatre. The theatre houses six lecture halls including one auditorium with a capacity of 190 to 250 students each. Uniqueness is key for each hall, enhanced by different designs giving a great learning environment.

CONVOCATION HALL

Design inspired from University of Al Qarrawiyin, Fes Morocco. From its external majestic details to its enormous three storey hall, this building is one of AiULC's proudest architectural feats with a capacity of 1,800 persons.

LIBRARY

Design inspired from Qubbat As-Sakhrah Jerusalem and Mir-I-Arab Madrasa, Uzbekistan. The library building is distinguished from the rest with its golden dome. The English collections which consist of books on the English language, fiction and leisure readings are located at Level 3.

OTHER FACILITIES

SOUQ ALBUKHARY

The five-storey shopping mall stands out with its distinctive Moghul-inspired facade of an arched gateway, watchtowers and multiple archades. The mall comprises of one hypermarket, fast food outlet, small clothing booths and boutiques and a daily basic equipment shop.

AIU INTERNATIONAL SCHOOL

The school was inspired by Siheyuan also known as Chinese quadrangles and dates back to the Zhou period. The school is equipped with facilities and teaching tools which exemplify its green practice.

ECO PARK

Students of AiULC are encouraged to live healthy and green lifestyle. The purpose of this eco park is to preserve the variety of unique plants so as to attract different species of animals to inhabit it.

ALBUKHARY DIALYSIS CENTRE (MEDICAL UNIT)

Dialysis centre is part of the sprawling Albukhary Complex built with the intention to provide dialysis services to the less fortunate.

SINGGAHAN ALBUKHARY (HOTEL)

Singgahan was built to provide lodging to patient's families as well the public.

MASJID ALBUKHARY

The mosque's beauty on its exterior and interior is inspired by ancient architecture found in Khanaqah (Tomb) Shekh Abdul Samad, built in Natanz in Iran. The beauty of the mosque is exemplified with its stunning blue dome.

It has seven top-shaped blue domes with the main one featuring intricate Arabesque motifs, reminiscent of Uzbek madrasas in Samarkand.
